EDUCATION

Capacity Building for Design and Entrepreneurship (CBDE)

Presents

19-20 March, 2026

National Hackathon on Innovation, Design, and Entrepreneurship (NHIDE-2026)

Networking

Provide Opportunities for students to connect with investors, mentors, and industry veterans.

Knowledge Sharing

Facilitate discussions through panel talks, workshops, and lectures on crucial startup topics such as funding, marketing, and scaling strategies.

Showcasing Innovation

Offer a competitive platform for startups to pitch ideas to potential investors and gain visibility.

Collaborative Ecosystem

Promote partnership and collaboration across industry verticals, fostering a supportive entrepreneurial ecosystem.

Student Engagement

Empower aspiring student entrepreneurs by offering them a chance to learn from established professionals and pitch their ideas.
